Men's Fraternity III - The Great Adventure™

April 19-21, 2017
Servants by Design™ / The Process Spiritual Model™
Certification Training Workshop
Arkansas 4-H Center, Little Rock, AR

Dear Friends,

The *Servants By Design™ / Process Spiritual Model™* Certification Workshop has been scheduled for April 19-21, 2017 in Little Rock, Arkansas.

The heart and mission behind the *Servants by Design™* and the *Process Spiritual Model™* materials is to help others find hope and joy in who they were created to be and help them find their unique place for service in God's kingdom.

Those completing this introductory *Servants By Design™ / Process Spiritual Model™* Certification Workshop will be certified to teach:

- *Freed to be Me: A Servant by Design Seminar™* (an introduction to the *Process Spiritual Model™* for adults),
- *Hero or Zero: Discover Your Superpowers Seminar™* (an introduction to the *Process Spiritual Model™* for upper middle and high school students),
- *Freed to Be Me: Ministry Edition Seminar™* (an introduction to the *Process Spiritual Model™* as applied specifically to ministry, service, and vocation)
- *Your Unique Design™* portion of *Men's Fraternity III - The Great Adventure™*,
- *Servants by Design™* portions of *Woman on a Mission™* and *Embracing Purpose™*
- *A Servant by Design: Finding Your Place in Ministry Seminar™*.
- *P.E.G.S. Assist* (special application of the *Process Spiritual Model* that explores vocational implications of one's God-given design)

Participants in this initial workshop will receive their "In House" certification with a Trainer Code which gives them access to the web based seminar profiles and support materials for teaching. Once certified, trainers will receive a detailed Instructor's Manual for each seminar, PowerPoint presentations with embedded movie clips and built-in group exercises to foster participation, and ongoing support to help them gain confidence and grow in their knowledge and ability to share how uniquely designed each individual is.

We will provide a Certificate of Completion that may serve as a certificate of attendance and allow some counseling related specialties to receive 12 hours of continuing education credits. This will depend on the requirements of their respective boards or licensing bodies.

The *Servants By Design™ / Process Spiritual Model™* Certification Workshop also serves as preparation and a prerequisite for the *Advanced Servants by Design™ / Process Spiritual Model™ Workshop*, which goes deeper into how to recognize and avoid negative patterns of behavior as well as how to intervene in effective ways when negative patterns disrupt communication with spouses, children, coworkers, teammates, or even when sharing the Gospel. The Advanced Workshop provides content, practical application, and practice of the *Process Spiritual Model™* skills. Those attending the advanced training will be certified to present the *Marriage by Design Seminar™* and the *Parenting by Design Seminar™*. Those with counseling credentials will also be able to purchase and use the *Christian Counseling and Personality Inventory™* which is based on the *Process Spiritual Model™*, derived from Dr. Taibi Kahler's original *Process Therapy Model™*. These seminars are only available to those trainers who have completed the *Advanced Servants By Design™ / Process Spiritual Model™* workshop. (The Advanced workshop is tentatively scheduled for October 25th, 26th and 27th of 2017 in Little Rock. Pricing will be the same as for the introductory workshop.)
